

PRIVATE LESSONS

Private and semi private lessons are available to players of all ages and ability levels. During the school year (Sept-May), due to limited available teaching time, lessons are given on a bi-weekly basis for any time slots after 3:00pm. However, lessons scheduled for morning (before school) or early afternoon (before 3:00pm) may be done on a weekly basis. From Jun-Aug, all lessons may be scheduled weekly. There is not a set number of lessons a player is required to take---Diana can discuss this with you to determine what your goals are and set a plan up to meet these goals with the player. Some players just want to refine one particular skill while others take lessons year after year to build on their skill level. The lessons are given during public or training sessions and students are **required** to pay the cost of the session to the rink in order to skate during that ice time. Lessons fees are paid directly to me at each lesson. My fee schedule is \$40.00/half hour for one student and \$30.00/half hour per student for two or more.

Cancellations: **No shows** will be **charged** for the lesson unless I am notified on my cell phone (not work phone, as I may already be at the rink) **at least 4 hours prior** to the scheduled lesson time. Lessons will not be prorated due to a student's late arrival.

PLAYER EVALUATION

I will attend your players practice or game, assess his/her strengths, and pinpoint the areas in which improvement is needed. A written summary will be provided, along with specific practice drills that will address the areas needing work. We will then schedule a 30 minute lesson time on the ice to make sure that the player understands what needs to be corrected, how to do it properly, and how to practice to reinforce the skill. Contact Diana for pricing and scheduling.

If you are interested in contacting me regarding private lessons or for a player evaluation, please fill out the information listed below and I will contact you to schedule.

Players Name:

Date of Birth:

Address:

City:

Zip:

Parents Names:

Phone: (H)

(C-Mother)

(C-Father)

(W-Mother)

(W-Father)

I have read the above information and agree with the terms regarding payment to the rink for the usage of their ice facilities and the cancellation policy as outlined above by Diana Schaefering and Power Play Hockey.

Could you do a not responsible waiver here?
